

# ESTHETICA Salon and Spa

The following excerpt has been taken from the company Christmas letter (2015)

## "It's a Beautiful Life"

After over 40 anniversaries with Esthetica, life continues to be grand. It's hard to believe we've been in our new home on Acadia Drive for over 4 years! Truly, it is a rewarding journey and I am reminded of this when there is no shortage of joy, laughter and goodwill among staff and guests daily. More than ever in the changing times we consider ourselves fortunate and blessed to be part of a supportive and loyal community.

This year we are especially proud and grateful to be  
**voted once again as one  
of the Best Salon & Spas in Calgary;**

Joyfully, we thank you!
