

ESTHETICA Salon and Spa

THIS IS A TIP

Most salons expect them.

We say, "Thanks, but no thanks." In fact, we've been saying, "No thank you" for over 35 years. Because we are professionals who are happy to do our best without extra gratuities. We are grateful to you for favouring us with your business and continued loyalty.

So when you visit our Salon and Spa, you can relax during your services and enjoy our **NO TIPPING** policy.
